Notice to Taxpayers

Sec. 70, Chapter 13, Revised Statutes 1930

Before making an assessment, the assessors shall give seasonal notice in writing to the inhabitants by posting notifications in some public place in the town, or shall notify them, in such other way as the town at its annual meeting directs, to make and bring in to them true and perfect lists of their polls and all their estates real and personal, not by law exempt from taxation, of which they were possessed on the first day of April of the same year. If any resident owner after such notice does not bring in such list, he is thereby barred of his right to make application to the assessors or the county commissioners for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time appointed.

AUDITOR'S REPORT

State of Maine
STATE DEPARTMENT OF AUDIT
Augusta

March 16, 1948

Board of Selectmen
Thomaston
Maine

Gentlemen:

In accordance with Chapter 16, Section 3 of the Revised Statutes of 1944 and at your request, the records of the Town of Thomaston have been audited by Auditor R. M. Parsons for the year ended March 1, 1948.

The examination was made in accordance with generally accepted auditing standards applicable in the circumstances and included all procedures which were considered necessary.

A review of the audit is included in the Comments.

Very truly yours,

FRED M. BERRY
State Auditor

SELECTMEN'S REPORT

Report of Selectmen

The year 1947 has been one of considerable progress and accomplishment. Much has been done to put our town property in first class condition without undue burden to the tax payers.

After town meeting last year it was decided to take the accumulated State Aid Road money and rebuild the West Meadow Road or such portion as funds would permit. As a result we now have eight-tenths of a mile of new road fully drained and ready for tarring at a cost of \$7,000.00 which was 40% less than State engineering estimates.

The Marsh road has been extended to Walter Butler's and put in condition for plowing.

Studley Lane has been rebuilt to the Pease property, bushes cut and widened to permit efficient and economical plowing.

The extension to Lawrence Avenue exceeded original estimates by \$200.00. However, it was felt that by connecting it with Fluker Street, that amount would be saved by eliminating two dead end streets and creating a through way making for more efficient plowing and maintenance.

The General Highway account has been over-drawn because of the large amount of bush cutting and ditch clearing which was long overdue, salary increases and re-flooring of the Wadsworth Street bridge. Fifty percent of the cost of the last item was borne by the State.

The employment of a full time police officer has resulted in a more adequate control of the traffic and parking problem as well as increased protection. He has been on duty at all public functions as well as carrying out his routine work.

SELECTMEN'S REPORT (continued)

Although the traffic problem has been relieved considerably we do not feel that the control necessary for the safety of pedestrians and others can be achieved without the installation of traffic lights and improved street lighting in the business district. Conferences have been held with the State Highway Commission Traffic Engineer on both points and have received his recommendations. The Budget committee also recommends their installation.

WILLIAM C. BROOKS, JR.
ELBRIDGE D. GRAFTON
ROBERT K. MAYO

CLIFTON J. FELT

Town Clerk

Report of Chief of Fire Department

To the Honorable Board of Selectmen of the Town of Thomaston:

I have the honor to submit herewith the report of the Fire Department for the year ending March 1, 1948.

During the period covered by this report the Department responded to a total of 67 calls, including 8 from out of town, slightly more than double the number of the previous year. That we are able to report a minimum of damage except in two instances, the Andrews Brothers barns and the Hannahan-Sheffield fire, we consider remarkable. The quick response of the Department in several instances combined with the efficiency of the patrol maintained during the October drought were contributing factors and our appreciation is expressed to all who contributed so liberally of their time and donated the use of their cars. Our thanks also to the telephone operators for their fullest cooperation, and to the Junior Volunteers for their valuable assistance.

Improvements in our equipment consist of the addition of 8 Indian Tanks and the installation of racks on the McCann and Counce trucks for carrying same; 2 new nozzels to the Counce truck; a C O 2 extinguisher to the Buffalo and Carbon tet. extinguishers to the Buffalo and Ladder Truck. The ladder proposition has not been carried to completion due to the inability of the contractor to deliver, but, we expect this to materialize in the near future.

The usual purchase of hose is not recommended this year due to the continued high price.

Our budget as submitted to the Committee calls for an increase over the preceding year of \$710.00, but, included is the

REPORT OF CHIEF OF FIRE DEPARTMENT (continued)

amount of \$2,000 for repairs on the two wooden buildings, perhaps a questionable type of economy, but, necessary if these buildings are to be maintained.

Favorable consideration should be given to the addition of two hydrants to the system and the relocation of two others as outlined to the Budget and Planning Board.

Respectfully submitted,

EDWIN A. ANDERSON

Chief of the Fire Department

To the Citizens of Thomaston:

I am pleased to submit, for your consideration, my second annual report as your superintendent of schools.

Our fine teachers have continued to serve the needs of the children committed to them in an understanding and helpful manner. It is their aim to help each child to progress to the extent of his ability.

Three new teachers were employed in the high school in September. Mrs. Rebecca Knight replaced Mrs. Ellen Sjoblom as teacher of English and French, Miss Patricia Harrington, a graduate of Bliss Business College, assumed the position of commercial teacher and Mr. Waldron Roberts of Gorham Teachers College took charge of the industrial arts department. Mrs. Knight resigned at the close of the fall term and has been replaced by Miss Mae V. Morang who is a graduate of Bates College. There have been no changes in the staff of the elementary department this year, although Mrs. Charlotte Dyer Moran has tendered her resignation, to take effect as soon as a replacement can be found.

Mrs. Esther Rogers is serving as music supervisor this year in place of Mrs. Ruth Sanborn who is devoting her entire time to the Rockland schools. Mrs. Rogers is well qualified for the position she holds and is contributing much to the development of the children. Until recently Mrs. Naomi Elliot has been supervising drawing in the elementary schools.

SCHOOL DEPARTMENT REPORT (continued)

Several Thomaston teachers attended summer school during the past summer. Horace Maxcy, Donald Sprague and Rebecca Robertson attended the University of Maine. Charlotte Dyer Moran attended Farmington State Teachers College. Nearly all of our teachers participated in one of the extension courses offered at Rockland last winter and several are enrolled in the courses being given at present.

Extensive repairs were made at the Green Street School during the past summer. Floors were sanded and refinished, walls and ceilings were painted and new fluorescent lights were installed. A drinking fountain-wash basin combination was installed in the fourth grade room, adding to the convenience of the children. Ventilating fans were placed in the toilet rooms.

Through the efforts of the High School Athletic Association showers were installed in the boys' dressing room at the High School. The room was enlarged by boys from the industrial arts department. Showers are needed in the girls' dressing room but at present the Athletic Association is not in a position to pay for them.

Due to the lack of one classroom the sub-primary and first grades have been in session only half of each school day this year. The first grade meets in the longer forenoon session and the sub-primary in the afternoon. Both teachers are on duty all day. This plan seemed to be the best immediate solution to the room shortage problem and it has worked better than we expected. However, it should not be considered except as a temporary measure until a new building can be provided.

A glance at the present enrollment will show that the elementary school classes are becoming too large for the most efficient results. Authorities claim that for the best learning situation twenty-five pupils should be a maximum class. Any long range planning should provide for the increasing enrollment in the primary grades.

SCHOOL DEPARTMENT REPORT (continued)

Milk is being served to children in both buildings this year to the benefit of many children. Orange juice and other surplus goods are given to pupils at noon and recess. With the large number of bus pupils a hot lunch program would be highly beneficial.

The purchase of a new 48 passenger school bus has greatly improved school conveyance. All necessary conveyance is provided by this bus which covers the entire route in an hour's time.

In closing this report I want to express my appreciation to all who have cooperated to make this a successful school year for the children of Thomaston.

Respectfully submitted,

LINDON E. CHRISTIE

Superintendent of Schools

Report of SPECIAL SCHOOL BUILDING COMMITTEE

At the annual 1947 meeting, the town voted that a committee of not more than 15 members, including the Selectmen and School Committee, investigate the school building situation, procure cost estimates for new buildings and for remodeling of present facilities, and report to the town at a special meeting.

The following persons were members of the committee:

William C. Brooks, Jr.	Carl Swanholm
Robert K. Mayo	B. L. Grafton
E. D. Grafton	H. F. Leach
Edwin F. Lynch	Rita C. Smith
Hazel Young	Albert B. Elliot
Percy Williams	Alvary Gay
Alfred M. Strout	Earl Melgard
Harry Stewart	

The Committee consulted with Bunker & Savage, Architects, and with others, and procured cost estimates of a new High School Building and of a Grade school building. After careful consideration of the problems involved, alternate plans were submitted to the Town at special meeting held July 14, 1947.

In order to relieve overcrowded conditions at the Green Street building, the town recommended that sub-primary and first-grade pupils each have a half day session. The sum of \$3,000 was raised to repair and renovate the Green Street building.

The Town took no action regarding construction of a new building, but the committee was perpetuated until the next annual meeting.

The committee remains of the opinion that the building situation at this time is too unsettled for the town to commit itself to a definite building program this year, and other factors are to be decided before any particular course of action is approved.

SPECIAL SCHOOL BUILDING COMMITTEE (continued)

The committee recommends that a special reserve for construction of a new school building be established and that at least \$5,000 be raised for that purpose.

Also the committee recommends that another similar committee be established to continue investigation of the school building situation for another year and report to the town whenever it deems advisable.

Appropriate articles have been inserted in the warrant for the 1948 annual meeting, and favorable action thereon is urged.

Respectfully submitted,

ALFRED M. STROUT,
Chairman

HAZEL M. YOUNG
Secretary

Annual Report of the BIDGET AND PLANNING COMMITTEE

Nine meetings have been held during the past year at which the present and future welfare of the town has been discussed.

After prolonged and serious discussions the recommendations arrived at and presented with the town appropriations for the ensuing year, as printed in the warrant, express the opinion of the committee members.

The feasibility of adding a combination grader and tar kettle to the town's road equipment was brought before the committee. Under present conditions it seemed the best policy that it be postponed.

After much deliberation on the present school situation and giving consideration to the future requirements this committee believes it advisable to start a school building fund and recommends the raising of \$5,000 for this purpose.

Careful thought has been given to the dangerous traffic conditions which exist in the business section of town. The committee has consulted with an official from the State Highway Department, and with his approval recommends that traffic lights be installed at each of the dangerous intersections. It is the belief of many that these lights working in conjunction with our police should satisfactorily control traffic and give the pedestrian a greater degree of safety. The street lighting through the business section being very inadequate, the committee recommends that some improvement be made; this would also increase the safety.

The committee recommends an addition to the town ordinance regarding the use of fireworks: No person shall set off or explode any firecrackers, skyrockets, bombs or other explosive devices commonly known as fireworks in any street or public place

BUDGET AND PLANNING COMMITTEE (continued)

within the town limits except an event conducted by the municipality or by a non-profit organization with the written permission of the selectmen.

All interested citizens are welcome to attend any of the meetings of the Planning and Budget Committee which are held on the second Tuesday of each month at the town office.

LURA M. LIBBY

Secretary

THOMASTON TOWN WARRANT

Town Warrant

State of Maine

County of Knox, ss.

**To Charles Worcester, a constable of the town of Thomaston
in the County of Knox, GREETING.**

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Thomaston in said County qualified by Law to vote in town affairs to meet and assemble at Watts Hall in said Town on Monday, the twenty-ninth day of March, A. D. 1948 at ten o'clock in the forenoon, then and there to act upon the following articles, namely:

Article 1. To choose a moderator to preside at said meeting.

Article 2. To choose the following municipal officers:

Selectman for three years

Assessor for three years

Overseer of Poor for three years

Member of School Committee for three years

Article 7. To see what sum the town will vote to raise and appropriate for surety bonds of town officers.

\$150.00 Recommended Passage

Article 8. To see if the town will vote to authorize the Selectmen to procure temporary loan or loans in anticipation of taxes for the purpose of paying obligations of the town, such loan or loans to be paid during the current municipal year out of money raised during the current municipal year by taxes.

Article 9. To see if the town will vote to authorize and empower the Selectmen to sell and convey property acquired by the town by tax process, on such terms as they may deem advisable, and to execute quitclaim deeds for such property.

Article 10. To see what sum the town will vote to raise and appropriate for police protection including salary of regular police officer.

\$2,500.00 Recommended

TOWN WARRANT (continued)

Article 11. To see what action the Town will take with reference to raising the necessary money to cover the street lighting service.

\$1,590.00 Recommended

Article 12. To see if the Town will vote to put a light on Pleasant Street.

\$16.80 Recommended

Article 13. To see if the Town will vote to put a light on Beechwood Street, opposite Hollis Young's.

16.80 Recommended

Article 14. To see if the Town will vote to put a light on Old County Road at Joe Butler's.

\$16.80 Recommended

Article 15. To see what sum the town will vote to raise and appropriate for hydrant rental.

\$2,900.00 Recommended

Article 16. To see what sum the town will vote to raise and appropriate for maintenance of the Fire Department, including alarm system, storage, supplies, equipment and running expenses.

\$3,475.00 Recommended

Article 17. To see what sum the town will vote to raise and appropriate for Support of Volunteer Fire Companies.

\$750.00 Recommended

Article 18. To see what sum the town will vote to raise and appropriate for repair and maintenance of town roads and bridges.

\$3,000.00 Recommended

TOWN WARRANT (continued)

Article 19. To see what sum the town will vote to raise and appropriate for application of bituminous surface to town ways.

\$2,500.00 Recommended

Article 20. To see what sum the town will vote to raise and appropriate for Winter and Spring roads, including breaking out roads.

\$3,000.00 Recommended

Article 21. To see what sum the town will raise and appropriate for State Aid Road Construction (in addition to the amount regularly raised for the care of ways, highways, and bridges) under the provisions of sections 25 and 29, Chapter 20, R. S. 1944 as amended.

\$1,593.00 Recommended

Article 22. To see what sum the town will vote to raise and appropriate for Patrol Maintenance of State and State Aid Highways.

\$685.00 Recommended

Article 23. To see what sum the town will vote to raise and appropriate for repairs and construction of sidewalks.

\$300.00 Recommended

Article 24. To see what sum the town will vote to raise and appropriate for trimming trees within the limits of town ways.

\$500.00 Recommended

Article 25. To see what sum the town will vote to raise and appropriate for mowing and care of the Mall.

\$60.00 Recommended

TOWN WARRANT (continued)

Article 26. To see what sum the town will vote to raise and appropriate for support and maintenance of the Public Library.

\$700.00 Recommended

Article 27. To see what sum the town will vote to raise and appropriate for maintenance and improvement of Town Cemetery.

\$1,000.00 Recommended

Article 28. To see what sum the town will vote to raise and appropriate for support of Thomaston Nurse Association.

\$1,600.00 Recommended

Article 29. To see what sum the town will vote to raise and appropriate for support and relief of poor.

\$4,000.00 Recommended

Article 30. To see what sum the town will vote to raise and appropriate for aid to dependent children.

\$300.00 Recommended

Article 31. To see what sum the town will vote to raise and appropriate for support, maintenance and repairs of Watts Block.

\$700.00 Recommended

Article 32. To see what sum the town will vote to raise and appropriate for the Williams-Brazier Post No. 37, the American Legion, for Memorial Day exercises.

\$100.00 Recommended

TOWN WARRANT (continued)

Recommended Passage

Article 36. To see what sum the town will raise and appropriate for interest due on Serial Notes.

\$170.00 Recommended

Article 37. To see if the town will vote to pay all bills contracted or approved on account of contagious diseases and to authorize the Selectmen to issue temporary loans for payment thereof.

Article 38. To see whether or not the Town will vote to enter into a contract with Central Maine Power Company for a term of five (5) years from the effective date thereof and continuing thereafter until cancelled, whereby, in consideration of the furnishing of traffic signal service to the Town under said contract, all as more fully set forth therein, the Town will pay for such traffic signal service in accordance with the Company's Traffic Signal and Beacon Rate.

Recommended Passage

indifferently justified

TOWN WARRANT (continued)

Article 39. To see what action the Town will take with reference to authorizing the Selectmen to execute and deliver the contract referred to in the preceding Article.

Recommended Passage *Recommended*

Article 40. To see what action the Town will take with reference to raising the necessary money to cover the traffic signal service.

\$588.00 Recommended *Recommended*

Article 41. To see if the town will vote to enact the following Traffic Signal ordinance.

TRAFFIC SIGNAL ORDINANCE FOR THOMASTON

An ordinance regulating traffic upon the public streets in the town of Thomaston.

It is ordained by the town of Thomaston as follows:

Sec. 1. **Definition of words and phrases.** -- The words and phrases used in this ordinance shall for the purpose of this ordinance have the meanings respectively ascribed to them in the Statutes of the State of Maine pertaining to motor vehicles.

Sec. 2. **Obedience to official traffic-control devices.** -- The driver of any vehicle shall obey the instructions of any official traffic-control device applicable thereto placed in accordance with the traffic ordinances of this city, unless otherwise directed by a police officer, subject to the exceptions granted the driver of an authorized emergency vehicle in the Maine Statutes.

TOWN WARRANT (continued)

Sec. 3. Traffic-control signal legend.—Whenever traffic is controlled by traffic-control signals exhibiting the words “Go”, “Caution”, or “Stop”, or exhibiting different colored lights successively one at a time, or with arrows, the following colors only shall be used and said terms and lights shall indicate and apply to drivers of vehicles and pedestrians as follows:

(a) Green alone or “Go”.

(1) Vehicular traffic facing the signal may proceed straight through or turn right or left unless a sign at such place prohibits either such turn. But vehicular traffic, including vehicles turning right or left, shall yield the right-of-way to other vehicles and to pedestrians lawfully within the intersection or an adjacent crosswalk at the time such signal is exhibited.

(2) Pedestrians facing the signal may proceed across the roadway within any marked or unmarked crosswalk.

(b) Yellow alone or overlapping with green or “Caution” when shown following the green or “Go” signal.

(1) Vehicular traffic facing the signal is thereby warned that the red or “Stop” signal will be exhibited immediately thereafter and such vehicular traffic shall not enter or be crossing the intersection when the red or “Stop” signal is exhibited.

(2) Pedestrians facing such signal are thereby advised that there is insufficient time to cross the roadway, and any pedestrian then starting to cross shall yield the right-of-way to all vehicles.

(c) Red alone or “Stop”.

(1) Vehicular traffic facing the signal shall stop before entering the crosswalk on the near side of the intersection or, if none, then before entering the intersection and shall remain standing until green or “Go” is shown alone.

TOWN WARRANT (continued)

(2) No pedestrian facing such signal shall enter the roadway unless he can do so safely and without interfering with any vehicular traffic.

(d) Red with green arrow.

(1) Vehicular traffic facing such signal may cautiously enter the intersection only to make the movement indicated by such arrow but shall yield the right-of-way to pedestrians lawfully within a crosswalk and to other traffic lawfully using the intersection.

(2) No pedestrian facing such signal shall enter the roadway unless he can do so safely and without interfering with any vehicular traffic.

Sec. 4. **Flashing signals.**—Whenever flashing red or yellow signals are used they shall require obedience by vehicular traffic as follows:

(1) **Flashing red (stop signal).**—When a red lens is illuminated with rapid intermittent flashes, drivers of vehicles shall stop before entering the nearest crosswalk at an intersection or at a limit line when marked, or, if none, then before entering the intersection, and the right to proceed shall be subject to the rules applicable after making a stop at a stop sign.

(2) **Flashing yellow (caution signal).**—When a yellow lens is illuminated with rapid intermittent flashes, drivers of vehicles may proceed through the intersection or past such signal only with caution.

Article 42. To see what sum the town will vote to raise and appropriate for the installation of five (5) ornamental six thousand (6000) lumen lights in the business district.

\$425.00 Recommended Passage

TOWN WARRANT (continued)

Article 43. To see what action the town will take relative to the enactment of the following ordinance limiting use of fireworks on the highways or in a public place.

“No person shall set off or explode any firecrackers, sky-rockets, bombs, or other explosive devices commonly known as fireworks in any street or public place within the Town limits, except an event conducted by the Town or by a non-profit organization with the written permission of the Selectmen.”

Article 44. To see what sum of money the town will vote to raise and appropriate for a reserve fund for the construction of a new school building.

\$5,000.00 Recommended Passage *action*

Article 45. To see what action the Town will take relative to continuing a special committee for investigation and recommendations regarding school buildings and to report to the next regular Town meeting or sooner if conditions require.

Recommended that a committee of not over fifteen (15) members including the Selectmen and School Board be selected by the Selectmen and School Board to continue investigation of the school building situation.

Article 46. To see what sum the town will raise and appropriate for sewer construction on Elliot Street from the Hilt property to Mechanic Street.

\$500.00 Recommended Passage

Article 47. To see what sum the town will raise and appropriate to pay off the temporary loans authorized at special town meetings for the construction of bleachers \$500.00, Lawrence Avenue extension \$1,000.00, Green Street School repair \$3,000 00.

\$4,500.00 Recommended Passage

TOWN WARRANT (continued)

Article 48. To see what sum the town will vote to raise and appropriate for elementary and secondary schools, including teachers wages, fuel, light, water, janitor, conveyance, text books and supplies.

\$32,000.00 Recommended Passage

Article 49. To see what sum the town will vote to raise and appropriate for insurance on schools.

\$905.88 Recommended Passage

Article 50. To see what sum the town will vote to raise and appropriate for Manual Training Course and supplies.

\$2,250.00 Recommended Passage

Article 51. To see what sum the town will vote to raise and appropriate for repairs on school buildings.

\$500.00 Recommended Passage

The Selectmen hereby give notice that they will be in session at the above-named hall and place of meeting on Monday, the day of said meeting, for the purpose of correcting the list of voters, from 9:30 o'clock in the forenoon until the polls are closed.

The Selectmen hereby give notice that the polls shall be open for voting purposes for a period of at least four hours on the day of said meeting, and that the polls will be opened at ten o'clock or as soon thereafter as may be possible in the forenoon of the day of said meeting, and that the polls will not be closed earlier than six o'clock in the afternoon of said day.

TOWN WARRANT (continued)

The Business meeting will be held at seven-thirty o'clock in the evening of said day.

Given under our hands this twenty-second day of March, A. D. 1948.

WILLIAM C. BROOKS, JR.
ELBRIDGE D. GRAFTON
ROBERT K. MAYO

TOWN OF THOMASTON

County of Knox, ss.

Pursuant to the within warrant to me directed, I have notified and warned the Inhabitants of the Town of Thomaston therein named to meet at the time and place and for the purposes therein stated by posting up on the twenty-second day of March, A. D. 1948 a copy of the within warrant at the Post-Office, being a public and conspicuous place in said town.

Attest:

CHARLES WORCESTER
Constable of the Town of Thomaston
